Eyelash Technology Program Requirements

Connecticut Nail School, LLC | Wallingford, Connecticut

The program provides 50 clock hours of instruction in English. The first 25 hours cover theory and may include hands-on practice outside the clinic floor. The remaining 25 hours combine supervised clinic practice with continued theory and practical instruction.

Class Starts and Enrollment

Classes start during the first and third weeks of each month. Monday through Friday morning classes from 9:30 a.m. to 1:30 p.m. and afternoon classes from 2:30 to 6:30 p.m. School hours are 9:30 a.m. to 9:30 p.m.

Confirm the training location, class days, times, breaks, and credited hours with admissions when you enroll.

Tuition and Licensure

The total school charge is $3,175, including $3,000 in tuition and a $175 registration fee. Tuition includes books, the student kit, and lab fees. After completing the program, you may apply to the Connecticut Department of Public Health for eyelash technician licensure. Pay the $100 initial license application fee separately.

Academic Progress and Completion

Maintain at least 75% cumulative attendance and a 75% academic average at progress reviews. To earn a Certificate of Completion, finish all 50 clock hours and required clinical work, pass the final written and practical assessments, earn at least a 75% cumulative average, and complete the financial arrangements in your enrollment agreement.
